CATALOGUE OVERVIEW

PRECISION LABORATORY CONSUMABLES

A consolidated commercial catalogue covering porcelain crucibles, evaporating dishes, mortar and pestles, filtration funnels, desiccator plates, ceramic accessories and allied laboratory wares.

PRICE POLICY

- All prices are transcribed from the earlier CENTRAL porcelain price-list PDF.
- That file already reflects a 120% uplift (2.20x the original base rates).
- GST, freight, stock availability and minimum order values must be confirmed.
- Source BSCI brochure is used as a design and illustration reference only.
- Products shown are illustrative; exact model appearance may differ.
